Wilderness Boundary

Stock Camping is prohibited within the Ahorn Fire Perimeter.

Grazing stock is prohibited within the Fool Creek Fire within the Lewis & Clark (LCNF) and Flathead (FNF) National Forests, Skyland Fire on the LCNF, and the Calbick Fire on the FNF. 100% Supplemental Feed is required for camping with stock within these areas.

0 80 160 320 Miles

Fire perimeters reflect the most current data as of 9/21/07.
This map is designed to reflect closure information and may not be updated just due to fire perimeter changes.
