### **Fire Facts:**

**Fire Start Date:** Tuesday, June 18, 2013

**Location:** 7 miles northwest of Prescott: burning in Granite Mountain Wilderness

**Size:** 6,732 acres

**Percent Contained:** 15%

**Cause:** Human, under investigation.

**Number of Resources:** 781 personnel including: 21 hand crews, 34 engines, 5 water tenders, 2 dozer, and 6 helicopters

**Injuries to Date:** 1 (minor eye abrasion)

**Estimated Cost to Date:** \$3,391,708 primarily due to increase in aviation use today

### **General Announcements:**

The incident management team will host a community meeting at Prescott High School Auditorium "Ruth Street Theater" on Sunday June 23rd. The meeting will begin at 6:00pm.

A reminder that no subdivisions east of Williamson Valley Road have been evacuated, but all remain on notice for potential evacuation.

**Weather:** Last night was calm with light humidity recovery. Today will bring hot temps with very low humidity levels and wind out of the south west.

**Today's Activities:** Crews and equipment will continue to construct, improve, and strengthen the line around the fire. In the North West area of the fire, crews will evaluate placement of the line. Monitoring of the fire will take place in some of the less active areas around the southern part of the fire.

### **Evacuations:**

There have been no changes in the number neighborhoods that have been evacuated. The following neighborhoods and areas are currently still under evacuation: Granite Basin Homes, Black Jack, Camp Anytown, Sundown Acres, Cielo Grande, Old Stage Acres, Mint Creek Wash north to Cielo Grande (Dome Road), and American Ranch remain evacuated. Neighborhoods in the Williamson Valley corridor are on notice for potential evacuation.

### **Road Closures:**

Williamson Valley Road east of the fire between Pioneer Parkway and Outer Loop Road is *open to residents only*.

**Fire Closure Update:** The entire area of the Doce Fire is closed to public access, including the Doce (Dosie) Pit road off Iron Springs Road. The closure area can be viewed at the Prescott National Forest webpage at: [www.fs.usda.gov/prescott](http://www.fs.usda.gov/prescott)

Individuals who may have seen suspicious activity related to the Doce Fire are asked to contact Forest Service Law Enforcement and Investigations at (928) 527-3508 or 3509.
