**Incident Location:** South of Highway 50 and Sand Flat campground.

**Current Fire Situation:** Firefighters made good progress overnight. The north side of the fire near Sand Flat Campground is within the containment area. Firefighters will be working on the south side of the fire on Alder Ridge and strengthening containment lines today.

**Resource Concerns:** Alder lookout and the communication site on Alder Ridge. Potentially, EID infrastructure, private land, and a grazing allotment.

**Safety Concerns:** Sand Flat campground is impacted due to incident traffic as that road is the major access to the incident. Highway 50 should see increased traffic in the Sand Flat area so travelers should be cautious.

**Evacuations:** None

**Road/Area Closures:** None.

**Assisting Agencies:** El Dorado County Sheriff's Office, CalFire and local fire departments.

August 7, 2016 9 AM
