Public information: 805-364-2738

Start Date: August 18, 2016

Size: 33,006 acres

Containment: 68%

Injuries: 1

Estimated Containment Date: 8/31/2016

Total Personnel Assigned: 1097

Cause: Under Investigation

Current Situation: Fire crews made good progress yesterday on containment lines on the north and northeast portions of the fire. These efforts increased the overall containment to 68 percent. Last night the fire showed minimal activity and no growth.

Today crews will focus on securing and mopping-up the remaining uncontained fireline on the northeast corner of the fire, using air support as needed. Mop-up and patrol will continue on the other portions of the fire perimeter.

Fire suppression repair continues across Camino Cielo Ridge and other portions of the fire area as crews repair dozer lines, chip brush, create waterbars and remove berms along firelines and contingency lines.

Fire Weather: There is a Fire Weather Watch in effect that may be upgraded to a Red Flag Warning depending on wind activity. High pressure will remain in the area through Tuesday with continued hot and dry weather. Temperatures will be in the high 90s and winds out of the west 3-6 mph, gusts up to 14 mph with northwest ridge winds up to 14-19 mph.

Air Quality: For the latest smoke forecast <https://www.ourair.org/todays-air-quality/>.

Road Closures: The Painted Cave and Gibraltar Roads are closed to all non-residential traffic. East Camino Cielo Road remains closed to the public, campers and anyone not affiliated with fire operations. Paradise Road is open to traffic.

Forest Closure: The Forest Closure Order No. 05-07-54-16-14 for the fire area can be found on the Los Padres National Forest [website](#). It includes portions of the San Rafael and Dick Smith Wildernesses.

Fire Restrictions: The Los Padres National Forest is in Level Four fire restrictions. No wood or charcoal campfires, use of gas stoves only in designated campgrounds, and no target shooting, smoking or fireworks.
