Zaca Fire Evacuations Modified

The Santa Barbara County Sheriff's Department, in conjunction with the Joint Unified Incident Management Team, has modified the Zaca Fire evacuation order issued on July 16.

The area within the Los Padres National Forest boundary and the Peachtree community remain under a full "Evacuation Order."

All other areas that were within the previous Evacuation Order and Warning will remain under an "Evacuation Warning" and the public should be prepared to evacuate should fire conditions change.

The American Red Cross shelter at Santa Ynez High School will close at 8:00 p.m.

The Red Cross requests that if you live in the Evacuation Order area and have a need for emergency housing as a result of the Zaca Fire evacuation to call the Red Cross at 1-800-951-5600.

If you are unable to evacuate and need assistance call 911.
