The Telegraph Fire began on June 4, 2021 and is burning 5 miles from Superior, Arizona. The current fire perimeter straddles Route 177, and includes lands administered by the Tonto National Forest, the Bureau of Land Management, including the White Canyon Wilderness, as well as State-administered lands. There are also private lands and Arizona State Land Department lands, within the vicinity of the fire.

Pursuant to 43 CFR 8351.2-1 or 43 CFR 9212.2 (a) and effective at 10:00 p.m. June 05, 2021 and until rescinded, public access is temporarily prohibited to public lands in Pinal County within the Telegraph Fire Operational Area as noted below.

**Closure applies to public lands within the area bounded as follows:**

- West, approximately 1 mile from the White Canyon Wilderness Area,
- South to the Gila River,
- East to the Ray Mine, and
- North to the Pinal/Maricopa County boundary.

**Temporary Prohibited Acts:**
1. Entry to public lands by motorized use, pedestrian or equestrian use, and recreational use unless a specific exemption has been granted.
2. Entry to White Canyon Wilderness.

A violation of this closure is punishable by a fine of not more than $1,000.00 or imprisonment of not more than 12 months, or both.

**Exempted:** Except in emergency conditions or permission by an agency authorized officer, there are no exceptions to this closure.
