Acres: 80,822  
Percent Containment: 21%  
Date/Time Detected: Friday, June 4, 2021, 1:30 pm

Structures burned: 5  
Number of Personnel: 751  
Cause: Human, under investigation  
Origin/Location: South of Superior, Arizona

The fire burned actively through the night in the area of Signal and Pinal peaks. Fire crews worked all night burning out around structures and infrastructure in these areas. The fire crews also conducted smaller burnouts along the highway 60 corridor as they work to secure structures, electric utilities, and highway infrastructure along the corridor. The burnout from yesterday along Russel Gulch has been successful to this point. Today fire crews will be focusing along the highway 60 corridor as they work to contain fire in this area to facilitate the future reopening of travel. Crews will also be constructing fire lines in the Pinal Mountains. There will be a virtual Public Meeting tonight (June 9) at 6 p.m., on the Incident Facebook page: https://www.facebook.com/Telegraphfireinformation/.
