Today the fire perimeter along U.S. Route 60 and near the Top-Of-The-World community was heavily staffed with firefighters who continued to monitor and mop up. This area will be staffed overnight. Structure protection crews in the Pinal and Signal Peaks areas established hose lays for point protection of values at risk. Night shift crews will continue to monitor fire activity. Today crews monitored the fire which is moving east, downhill through treacherous terrain from Signal Peak toward Pioneer Pass. Monitoring will continue overnight. Firefighters also continued preparation of primary and a secondary contingency fire lines along Pioneer Pass Road and on the network of old roads and trails from Tuxedo Junction to SR 77, respectively.

U.S. Route 60 has reopened. The motoring public should be alert for the presence of firefighters and heavy firefighting vehicles.
