<b>Dozers:</b> 22	<b>Other:</b> 237- Overhead	<b>Total Personnel:</b> 1900		

**Unified Command:** CAL FIRE NEU (Nevada-Yuba-Placer Unit) / U.S. FOREST SERVICE – Eldorado National Forest

**Assisting Agencies:** Placer County Sheriff's Department, El Dorado County Sheriff's Department, California Highway Patrol, California Office of Emergency Services, and local fire departments from across the region.

### Current Situation:

Working closely in Unified Command CAL FIRE and U.S. Forest Service (USFS) fire crews worked throughout the day to construct control lines around the fire. Heavy use of aircraft including air tankers, helicopters and air attack command and control aircraft helped in keeping the fire to approximately 1,000 acres. Firefighting personnel were able to make progress in limiting further spread on the Foresthill side of the river. The fire, burning in a larger area on the Eldorado National Forest side of the river, burned at times aggressively throughout the day. Both the Placer and El Dorado County Sheriff's Departments imposed additional mandatory evacuation zones in an effort to protect residents in advance of the danger. The fire is now burning south of Otter Creek which is what prompted evacuations in El Dorado County. Northern California Interagency Team II is on forest and transitioning to take command of the incident. More information will be provided as it becomes available.

### Evacuations:

#### Placer County Mandatory Evacuations:

All homes east of Green Ridge Rd from Oakwood Ln to Nugget Dr, Oak Wood Ct, Vinewood Ct, Trail Head Ct, Green Pine Ct, Alton Trail Ct, Gray Ct, Tevis Ct, White Tail Ct and the Skyview Terrace Mobile Home Park. Homes to the west of the above listed evcuations are under an advisory evacuation order.

**For text alerts – text "follow @CAL\_FIRE" to 40404**
