Sheriff's Office to Lift Road Closures in Coleman Fire Area

As of 6:00 p.m. Tuesday June 7th, the Sheriff's Office orders for road closures around the Coleman Fire will be lifted. Closure orders have been in effect since June 5th for Reliz Canyon Road, Pine Canyon Road and Hobson Avenue, but as fire crews have made great progress towards containing the blaze, it has been determined it is now safe to lift the restrictions.

The lifting of the closure orders means residents can return to their homes; however, residents should be aware that fire crews and equipment are still working in the area and using those roadways as access for firefighting efforts. Speed limits have been reduced to 25 m.p.h.

Updated fire information can be found from the US Forest Service on twitter:
