

# River Complex Update

August 4, 0800 a.m.

Fire Information: (530) 276-8559

## Current Situation:

Redding, CA – A new infrared survey was done last night. The data shows that several fires have merged. The Onion and Happy Fires have merged and are now being called the Happy Fire. The Groves and Elk Fire have merged and are now being called the Groves Fire.

Smoke under the inversion has moderated the fire activity for the last few days. This afternoon as a week weather system moves through the area the inversion may lift leading to more active fire behavior for the remainder of the day.

Today, in addition to scouting areas to build containment lines for the Groves Fire, firefighters will be in the area of Trinity Village planning for defense of structures. The operations in the Denny, Dailey and Hoboken areas continue.

With the Large number of fires throughout Trinity County large amounts of smoke may be present. For air quality information see [www.airnow.gov](http://www.airnow.gov)

There will be a community meeting Wednesday, August 5, at 6:00 p.m. at the Trinity Village Fire Hall.

## Six Rivers National Forest:

Groves Fire 3,854

## Shast-Trinity National Forest:

Happy Fire 3,181      Dailey Fire 16      Look Fire 7      Smokey Fire 1

**Weather:** Temperature: Mid 70s to Mid 80s, RH 25-35%, Wind W-SW 5-10

**Evacuations:** At the request of California Interagency Management Team 3, the Trinity County Sheriff's Department is initiating a mandatory evacuation of the Denny, Dailey, Hoboken and Bell Flat areas due to increased fire activity and limited resources to provide structure protection. A hard road closure is in effect on Denny Road at the junction of Forest Road 7N26 at Onion Saddle.

Start Date: July 30, 2015    Cause: Lightning    Acreage: 7,059    Containment: 0%

Handcrews: 1      Engines: 27      Dozers: 4      Water Tenders: 4

Helicopters: 1      Total Personnel: 351

Cooperators: Trinity and Humboldt County Sheriff's Departments, Trinity County Public Works, California Conservation Corps
