Current Fire Situation

Despite a weather disturbance producing strong winds from the south, operations were successful on the River Complex Fire yesterday. Crews held and strengthened firelines and scouted unstaffed portions of the fire, planning for future operations. As the fire burned actively through the night, crews patrolled fire lines and monitored burn activity on the perimeter.

Most of the growth of the fire yesterday was on the southeast portion near Big Mountain. Fire progression is expected to continue in that area today. Firefighters will look for opportunities to build contingency lines in that region. Dozers have constructed several contingency lines between Trinity Village and the western flank of the fire.

A Red Flag Warning continues for the fire area until 8 P.M. The impacts of the weather system are expected to continue throughout the day.

Evacuations, road and area closures

The Trinity County Sheriff's Department mandatory evacuation are still in effect for Denny (including Quinby), Dailey, Hoboken and Bell Flats areas due to increased fire activity. A hard road closure is in effect on Denny Road at the junction of Forest Road 7N26 at Onion Saddle. Forest area, trail, and road closures are in effect on the Six Rivers and Shasta-Trinity National Forests.
