Current fire situation: There has been no growth in the fire in the last 3 days. Last night firefighters patrolled along the fire's containment lines for hot spots. No spots were detected outside of containment lines.

Today, crews will continue repair of damage caused by fire suppression actions including approximately 80 miles of dozer and 9 miles of handline. Hose and pumps are being removed from areas where the fire is out and there is no longer a threat. Hose and pumps are being removed from areas where the fire is out and there is no longer a threat.

Due to reduced fire activity and fire staffing updates will be completed in the morning only. Important incident information will still be updated in the evening on Inciweb.

Weather and Safety: The weather is expected to remain cooler and wetter than normal.

The public is encouraged to use caution driving as recent rain may cause more logs and rocks to fall onto roadways and heavy firefighting traffic will remain in the area.

Evacuations and Closures:

All County roads are now open and all evacuation advisories have been lifted. The Forest Closure and associated road closures remain in effect (see details below).

A Forest Closure (Order No. 14-15-05) is currently in effect. The closure prohibits going into or being upon National Forest System lands or Forest Service roads within the Fork, South, Route and Mad River Complex Fire Closure Areas. Inquiries about the forest closure can be directed to the Shasta-Trinity National Forest at (530) 226-2500 or online at <http://www.fs.usda.gov/detailfull/stnf/alerts-notices/?cid=stelprdb5392380&width=full>.
