Evacuation Warning Notices Being Issued to Dunlap, Pinehurst & Miramonte

Tuesday evening, the Fresno County Sheriff's Office began the process of issuing evacuation warning notices due to the rapid spread of the Rough Fire. These warnings are directed at people living in the communities of Pinehurst, Miramonte and Dunlap. The warnings also encompass an area north of Highway 180 that stretches from Hopewell Road to the west, to the Armenian Church Camp Western and Happy Gap / Sequoia Lake to the east. All residents should now be preparing to leave at a moment's notice.

Earlier on Tuesday, the Sheriff's Office also expanded its area for mandatory evacuation notices. The areas are as follows:

- Summit Meadow, Fresno County
- Goins Ranch, Fresno County
- Marvin Pass, Fresno County

Mandatory evacuations notices issued on Monday remain in effect. The impacted area is to the north of Dunlap. More specifically, it's the area of U.S. Forest Service Road 12S01 and Sampson Flat Road, which serves as the most southern point. The community of Crabtree is the most northern point. The western border is U.S. Forest Service Road 12S19 (Delilah Spring) and the eastern border is Cherry Gap, which is near the intersection of U.S. Forest Service Road 13S03 / Hwy. 180.

The areas of Hume Lake, Kings Canyon Lodge and Kennedy Meadows were previously issued mandatory evacuation notices. Those notices still remain in effect.

Highway 180 remains open to motorists at this time.
