# MANDATORY EVACUATION LIFTED FOR MARIPOSA PINES

## FERGUSON FIRE:

### EVACUATION LIFTED FOR MARIPOSA PINES AREA

\*\*\*From the Mariposa County Sheriff's Office: Evacuation orders for **Mariposa Pines Residents** on Scott Road from Best Road to the end of Hites Cove Road including all side roads, will be lifted this evening, Tuesday July 24 2018 at 6:00pm.

These areas will remain under advisory.

**Fire Advisory-** This is an advisement only of a potential Evacuation Order should conditions change.

This area will be open to residents only. All residents on Jerseydale Road between lower Best Road and Triangle Road will remain in Mandatory Evacuation Status.

### General Information

Mariposa County Sheriff's Office will have a heavy presence in the area to ensure the security and safety of residents and businesses. Due to the large amount of emergency equipment in the area, speed control will also be enforced.

There will still be smoke in the respective areas as firefighters continue firefighting operations. If at any time you feel unsafe, please call 911.

For questions or concerns regarding power, please contact PG&E at 800-743-5000 or visit their website at [www.pge.com](http://www.pge.com)

The Mariposa County Health Department has health and safety information for residents returning to their homes on our website at <http://www.mariposacounty.org/health> or call 209-966-3689.

Mariposa County Public Works will be at upper Best Road and Scott Road from 10am-3pm providing FREE residential spoiled food waste.

Mariposa County Health and Human Services will be available to assist residents with gaining additional services. Additional information regarding these and other services is available at [www.mariposacountyrecovers.org](http://www.mariposacountyrecovers.org).

**SAFETY MESSAGE** – The public is reminded to stay vigilant on current fire conditions. Please continue to adhere to road closures and any evacuation warnings. If you see electrical wires on the ground, stay clear and contact PG&E immediately. Trees and poles with deep charring, particularly if still smoking, should be considered hazardous. Please drive slowly and yield to emergency personnel in the area. As you re-enter your property and evaluate damage, be aware that hazardous conditions may exist, particularly if a residence or out-building has burned. Hazards may include asbestos, heavy metals, by-products of plastic combustion and various other chemicals.

We encourage the public to remain prepared year-round for wildfires by visiting the [www.readyforwildfire.org](http://www.readyforwildfire.org) website. The best show of support is having your home and property "fire-ready".
