Officials Call for Voluntary Evacuations of Johnsondale

This notification is from Tulare County Sheriff and Fire Departments.

The Cedar Fire poses a threat to the Johnsondale area, a voluntary evacuation has been ordered by fire officials. This includes Johnsondale and the Chamise Flat campground.

Please prepare to evacuate if ordered to do so. Assemble all essential valuables, critical medications, changes of clothing, toiletries, and essential documents for each person and pet, and place them in your vehicle.

Please also prepare your animals to evacuate with you.

Park vehicles facing outward and keep vehicles fully fueled. If you have disabilities, transportation challenges, or other situations which would require extra time to evacuate, please consider leaving the area immediately.

The recommended evacuation route is Mountain 99 (M-99) south to Kernville.

Please use extreme caution.

For further information about this incident, please call the Tulare County Emergency Operations Center at 559-623-0200.
