SAFETY MESSAGE
Between 20 and 30 residents and approximately ten homes remain under an evacuation order. As residents return home, we ask they remain aware of their surroundings as public safety personnel continue to work in the area. Areas still under an evacuation order will continue to be patrolled and monitored by deputies and other law enforcement. We will continue to keep the community updated with new information and thank everyone for their patience and understanding as we monitor the current conditions to determine when it is safest for residents to return home. You can access important information about returning home after a fire here: placer.ca.gov/8266/Returning-Home.
