## Gun Club Fire - Fire Update - August 25, 2016

**Detected:** August 17, 2016, 8:45 p.m.      **Containment:** 95%      **Current Estimated Size:** 2,084 Acres  
**Resources:** 80 personnel including - 3 Crews, 1 Dozer, 2 Engines, 1 helicopter  
**Cooperating Agencies:** Bureau of Land Management, Idaho Department of Lands, Idaho County Sheriff's Office, Idaho Department of Transportation

**This will be the last update for the Gun Club fire unless there is a significant increase in fire activity.**

The Gun Club fire is located east side of the Salmon River and is visible from the community of Riggins, Idaho. Leach's Type 2 Incident Management Team transferred command of the fire back to the Salmon River Ranger District and the direction of Chris Hertel's and Matt Myers Type 3 team yesterday evening.

Yesterday crews continued to mopup and secure lines along the northern flank with monitoring on the rest of the fire. Crews also worked on rehabilitation of firelines.

Today crews will continue to monitor and mopup firelines along the perimeter. Rehabilitation of firelines will continue as needed.

Road traffic along Highway 95 and County Road 1614 (Salmon River Rd) is encouraged to keep moving and not stop along the shoulders of the road to minimize risk associated with fire traffic. Also, visitors may meet logging traffic as activity in the vicinity is expected to increase.

**Closures:** The area closure has been rescinded. Trail 82, the portion of trail 136, the portion of trail 118, and FS Road 263 are now open.

Visitors are encouraged to contact the Salmon River Ranger District at 208-839-2211 for current fire information. Current Fire and closure information will also be posted on InciWeb at: <http://inciweb.nwcg.gov/> and on the Nez Perce-Clearwater National Forests website at: <http://www.fs.usda.gov/nezperceclearwater>.
