Press Release

Undersheriff Steve Holton said the Stage One Evacuation Alert and Warning due to the Roaring Lion Fire remains in effect from Lost Horse Road to North Gold Creek. Holton said the warnings were to provide residents with ample notice that the need to evacuate is still possible. Holton thanked those residents for their patience and stated the warnings would likely remain in effect until a fire season ending weather event occurs. The Sheriff's Office advises residents to maintain the preparations made to evacuate and monitor the available fire information resources. Evacuation updates will continue to be posted on the Ravalli County Sheriff's Office app for smart phones and FaceBook page. Residents can also call the Ravalli County Sheriff's Office at 406-375-4060 for information regarding evacuation status. The area west of Springhill Road is still closed to the public. Residential Permits can be obtained at the roadblock or Ravalli County Sheriff's Office.
