**Special Statement**

A Red Flag Warning is in effect until 9 PM tonight. A High Wind Warning is in effect through 8 PM today. A Red Flag Warning is in effect Tuesday from 11 AM to 9 PM.

**Fire**

Hermit's Peak Fire ~ Calf Canyon Fire combined is currently at 189,767 acres. Growth of 13,494 acres Sunday. 44% containment. Windy conditions will continue daily growth of the fire, especially where fuel and terrain aligns with Southwest wind. Red Flag Warnings and wind headlines will continue early this week. Firing operations may occur should immediate preservation of property, and other values be required.

**Smoke**

Strong Southwest winds into tonight. Communities on the east of the fire will average Moderate AQ with periods USG should fire activity increase in area. Western highlands communities should continue to experience Moderate with periods USG early. The Las Vegas Valley will see USG to early Unhealthy AQ. Mora will average USG with early Unhealthy conditions this morning and overnight. AQ around Rociada, Pendaries, Buena Vista, should remain moderate with some local smoke and regional haze reducing AQ somewhat. Forecasts remain dependent on possibility of new fire growth in adverse weather conditions today into Tuesday.

**Air Quality Alert**

An Air Quality Alert continues for the region through at least Noon today. Extension is likely through at least 12 PM on Tuesday.
