News & Events for the View Lake Fire Complex:

- The closure for Olallie Lake Scenic Area is currently in effect for public safety purposes, but is anticipated to be open for the Labor Day holiday weekend.
- An expanded area closure for the Bull of the Woods Area is now in effect; see closure information below
- Archery season for elk, deer, bear and cougar has begun; expect hunter camps and additional traffic in the fire area.
- Masticators are being utilized for brush removal on segments of the 6370, 6340, 63, and 4696 roads; temporary road closures will be in place while the equipment is in operation.

VIEW LAKE FIRE COMPLEX STATUS:

Light rain is expected for early this morning across the fire area, getting progressively heavier late morning to afternoon. Rainfall is not expected to exceed ¼". Due to weather conditions, very little fire spread is expected today.

Yesterday, firefighters wrapped the Bull of the Woods lookout tower with fire resistant material, made good progress with mop up efforts on the View Lake Fire, the Rock Cone spot fire and the north/east flank of the Pyramid Butte Fire.

Today, firefighters will continue with mop up efforts, pulling hose, backhauling equipment and rehabilitation efforts on the View Lake Fire; continue with line construction, mop up and begin rehabilitation efforts on the north flank of the Pyramid Fire. Air support will be increased, as weather and visibility allows, for equipment backhauling.

Evacuations: The Olallie Lake Scenic Area campgrounds & resort have been evacuated for public safety purposes. Fire operations personnel are closely monitoring fire status to determine when the area can be reopened for recreational use; the area closure is still in effect at this time but is anticipated to be open for the Labor Day holiday weekend.

Scenic Area, Wilderness Area & Trail and Road Closures:

- The Olallie Lake Scenic Area and associated portion of the Pacific Crest Trail (PCT)
- A portion of the Mt Jefferson Wilderness and associated portion of the PCT
- An expanded area closure (August 29, 2010) for the Bull of the Woods Wilderness, including portions of the Elk Creek, Mother Lode and Dickey Creek Trails and extending eastward. The area description is defined by Forest Road (FR) 63 between 6340 and 6350 junction and FR 6350 on the east from Collawash Mountain along the forest boundary to 6370, 4696-850, 4696 and 4697 on the south, trail #544 on the west and FR 6340 and FR 6341 on the north. All trails and roads inside the fire closure boundary are closed. **The Trail #544 between Bagby Hot Springs and Elk Lake remains open. Bagby Hot Springs and the Pegleg Falls Recreation Area is open. The Elk Lake Campground, which leads to Battle Ax Creek Trail (#3399) and Beachie Saddle Trail (#3341) remain open. The following fire closure boundary roads are open: FR 4696, FR 6350, FR 63 to the FR 6350 junction, and FR 6341.**
- Forest Road 4220 is closed at its junction with Forest Road 46 at the south end and Forest Road 4690 at the north end.
- Forest Road 4630 to Harriet Lake is closed
- **Forest Roads 46 and 57 remain open**

Pacific Crest Trail Hiker Shuttle System: The PCT is currently closed on the south at Jefferson Park north through the Olallie Lake Scenic Area. The Mt Hood and Willamette National Forests have arranged to shuttle hikers on an intermittent basis between the south fork Breitenbush Trail (via trail #3375 located west of Russell Lake in Jefferson Park) and the Triangle Lake Equestrian Campground. Hikers are being shuttled, as needed, between the hours of 9:00 a.m. and 6:00 p.m.

FIRE FACTS:
