Media Advisory – 09/07/2011 9:30 p.m.

Thursday afternoon the incident information staff for Dollar Lake Fire are planning a media tour. Firefighters plan to implement burnout operations to secure the north flank of the fire.

The media tour is intended to offer an opportunity to observe the burnout operation.

Tentative plans are to leave from the Zig Zag area early afternoon.

Details about the media tour, including meeting location and time, will be provided in a follow-up email Thursday morning September 8, 2011.
