## Closure Order for Bunker Hill Complex Changed

*Previously Closed Forest Road 2612 is Now Open*

**Roseburg, OR – July 7, 2015** – The closure area for the Bunker Hill Complex has been reduced effective July 6, 2015. In Closure Order No. 06-15-03-15-332 Forest Service Road (FSR) 2612 has been opened for thru traffic and as trail detour. The Lemolo Segment of the North Umpqua Trail #1414 will remain closed as it is within the boundaries of the complex. The detour for this portion of the trail will be Forest Road 2612.

Although this road is now open the Bunker Hill, Inlet and any dispersed campgrounds along the north shoreline of Lemolo Lake remain closed for public safety.

Please remember there is still wildfire within the area of the Bunker Hill Complex and firefighters are actively working. We ask the public to be mindful while driving and hiking and to be aware of firefighting personnel.
