## WILDFIRE DISASTER ASSISTANCE

USDA offers a variety of programs and services to help communities, farmers, ranchers, and businesses that have been impacted by wildfires. Depending on the operation, disaster assistance programs can help offset eligible losses. Emergency farm loan program assistance is also available with FSA. Learn more about program information at the links below. Questions? Contact the Oregon NRCS State Office or your local county field office.

USDA has published a new brochure, [Disaster Assistance Programs At A Glance](#) on [farmers.gov/Recover](https://farmers.gov/Recover). The brochure is a quick reference guide to disaster assistance programs with Natural Resources Conservation Service (NRCS), Farm Service Agency (FSA), and Risk Management Agency (RMA).
