Historic Williams Ranch Burns – Media Tour on Monday, July 23rd at 10 a.m.

An archaeologist from the Black Hills National Forest will escort members of the media on a tour of the historic Williams Ranch located near Pringle, SD. The ranch suffered losses as a result of the Myrtle Fire and several structures were burned.

The historic Williams Ranch was built by Albert and Emma Williams in 1896. The Williams' operated a sawmill in Shirrtail Canyon starting in 1894.

Interested media should meet at the Pringle staging area at 10 a.m. for a tour lasting approximately one hour.
