SUBJECT: **AFTER THE FIRES WORKSHOP**

WHO SHOULD ATTEND:

Entiat and Chelan area homeowners and property owners who live within the area burned or adjacent to the burn area and might be affected by runoff. This will be the only meeting in the immediate area this fall that will address these issues.

The agencies who can help and advise homeowners and property owners will all be present to answer questions and provide assistance and resources as needed. Speakers will include representatives from cities, Chelan County, USFS, NRCS, DFW, DNR and more. Information about national Flood Insurance will be available as well.

DATE: Thursday, November 1st

LOCATION: Entiat Grange Hall, 14108 Kinzel St, Entiat, WA

TIME: 6:30 – 9:00 PM

A new web page has been created on the Chelan County web page:

http://www.co.chelan.wa.us/pw/after_the_fires.html We are adding to this page as new information and resources are identified. Please bookmark and keep checking this site for new postings, both before and after the workshop.

On the new web page, you will find more information about the fires and links to web sites, brochures and forms that you will need to better cope with what has happened and the after-fire impacts that you should be aware of, along with contact information for agency and other representatives who can assist you.

If you have questions about the workshop or need assistance with transportation or special accomodation at the meeting, please contact Ray Faini at the WSU Chelan County Extension office: 509-667-6540 or Email: faini@wsu.edu
