Fire Bulletin, July 16, 2014 at 1:00 p.m.

Air support for the Mills Canyon Complex will operate out of Fromms' Field near Leavenworth, Washington.

The local agencies and the Incident Management Team understand the impact this will have on the local community and appreciate the patience of local residents.

This location has been used as a base for helicopter operations on fires in the past and is an effective location for providing the air support needed in the firefighting effort.
