Schneider Springs Fire

Closure Order: 06-17-08-21-38

Pursuant to 16 USC § 551 and 36 CFR § 261.50(a) and (b), and to provide for public safety, the following acts are prohibited within the Naches Ranger District of the Okanogan-Wenatchee National Forest. This Order supersedes Order #06-17-08-21-25, signed on September 3, 2021 by Kristin Bail, and is effective October 6 through December 31, 2021, unless rescinded earlier.

PROHIBITIONS:

1. **Entering into or being upon National Forest System lands** within the fire closure area, as described below and displayed on the attached map, Exhibit A [36 CFR § 261.53(e)].
2. **Being on any National Forest System Trail**, as described below and displayed on the attached map, Exhibit A [36 CFR § 261.55(a)].
3. **Being on any National Forest System Road**, as described below and displayed on the attached map, Exhibit A [36 CFR § 261.54(e)].

FIRE CLOSURE AREA DESCRIPTION:

This closure order has two distinct areas:

The area one closure begins at the intersection of the 4W325A trail and the south section line of T15R14S36, the closure boundary proceeds east on the south section line until intersecting the OWNF boundary. The closure follows the OWNF boundary north until intersecting the Naches River. The boundary continues north along the Naches River until intersecting the western edge of the Lost Creek Village. The boundary excludes the Lost Creek Village by following the western edge of the village until intersecting FSR 1704631. The boundary goes northwesterly along FSR 1704631 until intersecting FSR 1704311. The boundary follows FSR 1704311 until intersecting FSR 1704. The boundary continues northwest until intersecting FSR 1706, where the boundary turns east. Going east, FSR 1706 intersects the Naches River, once again, and the boundary continues north. At the confluence of the Naches River and the Bumping River the boundary turns west and follows the Bumping River until intersecting the west section line of T16R12S13. The boundary turns south and follows the west section lines of T16R12S13, 24, 25, 36; T15R12S1, 12, 13, 24, 25, 36; and T14R12S1 and 12. The boundary turns east on the south section line of T14R12S12 and continues east on the south section lines of T14R12S12 and T14R13S7, 8, 9, and 10 to where it intersects the 1141 trail. The 1141 trail continues east until intersecting FSR 1500199. FSR 1500199 goes east to where it intersects FSR 1500. The

boundary goes south along FSR 1500 until intersecting FSR 1500324. The boundary turns back east along FSR 1500324 until intersecting the 4W325A trail, which continues east until terminating at the point of origin.

The area two closure begins at the intersection of the west section line of T17R13S16 and the William O. Douglas Wilderness boundary. The boundary goes south along the west section lines of T17R13S16, 21, 28, and 33 until intersecting a Geographic Information Systems (GIS) produced buffer line, 25' off the center line of FSR 1800 (Bumping Lake Road). The boundary follows the northern buffer line, paralleling FSR 1800, northeast until intersecting the American River. The boundary flows west with the American River until intersecting the William O. Douglas Wilderness boundary and continues west along the wilderness boundary until terminating at the point of origin.

FSR 1800 (Bumping Lake Road) is open. The two closure areas were created to allow access along Bumping Lake Road for immediately adjacent recreation opportunities.
